Marshal: Gulliver (heavies) (not present) - Doku stepped forward in becoming deputy marshal for Angels, now that his shoulder is healed he's hoping to regenerate the Tuesday night practice.

Lot (rapier) - via email - last couple of weeks have seen an influx of new fighters, a few people have stepped forward to be his deputy, but real world may be a hindrance.

A few students will be around for the summer, now that they have free time they'll set up a garb date and do a few projects. Last weekend, several attended a Shoe Workshop at the Leather Factory, which was fantastic. Movie night and potluck was sparsely attended but lots of fun.

New Business

Tobias - Heard that Canyons might possibly be going dormant. Trinette - not likely, gas prices being a hindrance and things being quiet there anyway.

Announcements

GWW: Madalena Hidalgo di Valencia A&S steward - We're going to be taking over the war! Brought forms to fill out for teaching - anything, any knowledge you have please teach a class! We have plenty of money and more pavilions than we know what to do with, and garb classes would be WONDERFUL! We have 31 classes and 15 teachers, we want to beat last year and have 52 classes! You can also get forms from greatwesternwar.org - let her know ASAP.

New Reeve & Reeve in Altavia - Selene: At Altavia council meeting, they announced the only candidates for the Barony of Altavia - Bridget Lucia MacKenzie and Laertes Blackavar McBride- probably an investiture before the end of the year. The Barony should start thinking of

presentations!

CP Prize Tourney: Volunteers and prize donations needed! Angels is sponsoring the game row! See message sent to Angels list by Rosamund for more details. Our entry is a bean bag toss proposed by Ursula with large cans screwed onto a plywood sheet leaning back. One design is a cherub, the other is a more generic Angel.

Red: Leather Guild next meeting this Sunday 1pm at LF in Baldwin Park. Also, Red's been approached to do a Cub Scout demo Fridays July 16 and 23, crafts & fighting is great, seige weapons good, at Cabrillo Scout Camp in San Pedro. Irish Music Festival is this weeked at Woodley Park, all day Sat and Sun.

Closing Comments

Baron: I've enjoyed everyone being there at Old Timer's Tourney it was all really quite an event. Therese and Agnar worked hard on lists and all day long, and the quest at the revel was quite an event! Hosted at Robear's house, it was a Harry Potter based quest very reminiscent of early SCA quests..

Baroness: Glad to be alive still! Coronet is being worked on, it needs to be completely rebuilt - luckily none of the gems are gone. We hope to have it back by Angels Anniversary.
