

Angels Baronial Council Meeting 18 March 2004

8:02 PM – called to order

Greetings:

Baroness: Very glad the war fatigue has worn off. Spring is tourney season, and looking forward to it

Baron: Very warm, active year ahead. Looking forward to all the fun events this year.

Newcomers:

Philip Alexander, son of Red and Cynna, six weeks old.

Previous Meeting's Minutes:

In the previous correction, that's a dash, not a minus sign, before the \$8302.73.

Lady Bevyn should be spelled Bebhinn.

Approved by Yllaria, Elle seconded to pass the corrections/clarifications.

Officer's Reports:

Officers who were not present are being skipped.

Seneschal (Trinette): All quiet lately thanks to no Angels events. Quarterly reports are due April 1. If you're an officer looking for a deputy, let her know.

A&S (Flavia): Creating a list of ~50 potential teachers for workshops at various venues. She has a full, very detailed report available to all, please contact her for a copy. Spread the word about Angels workshops on e-lists and to friends, and if you or someone you know has a skill they would teach please let her know as well. Rosamund is her deputy, and has many great ideas.

GWW – Wool to Whatever contest idea.

Chatelaine (Lady Mouren Muir): Seven newcomers at the last meeting – including entire families! Next newcomer's meeting is Monday night in Altavia, for a joint mock court. New cycle is just beginning, now's the time to join in.

Chronicler (Elspie): *Seraph* is being laid out, and she has received items from the previous chronicler. The budget is being put together, then she can work on new/re-subscriptions and getting submissions &c.

Constable (THL Norrick): Nothing new. The list is done, but left at home, so it'll be up on the website soon.

Exchequer (Lady Elle): Contact Exchequer for information.

Archery (Allan Bluehood): Submitted a detailed outline of the Robin Hood Tourney to be held Sun. Oct 24. He needs some items made, and volunteers for the day. Merchants will be allowed, and it is a damp site once the archery portion is over.

Rapier (Mariam for Lot Ramirez): A few new fighters, anticipating more as the weather warms up and the lights in the park turn on. Looking for a deputy to take over in September.

Children (Amhas for Elspeth): Planning for Mayday, but she may have a conflict so she's looking for a volunteer to help out that day. Boffers will be held.

Webwright (Trinette for Ysabeau): Updated the A&S page more. Checked for bugs & problems with the e-list, which was fixed. Anyone doing an event can have their own webpage! Remember to send Ysabeau updated info if you already have a webpage!

Voyagers (Tomaso): Mayday prep continues. Planning on a People's Choice A&S contest, it is a damp site so alcohol entries are ok.

- Five newcomers at their latest meeting, some went to Collegium as well, and to the garment district with Flavia, and are looking to organize a sewing night with her as well.
- Planning a movie night at Luke's house
- Would like to have a Colleges of Caid camp at Spring Potrero.

South Crossway (Mariam for Rose Annabie): Due to lack of interest from the student body, this college is now officially dormant. The e-list will continue and rides to fighter practice available until Mariam moves away from campus.

New Business:

Fall Collegium: If you would like to teach a class at Fall Collegium, contact Karol and she can put you in touch with the correct Regent.

Make-A-Wish Fundraiser: Happening again this year! Contact Karol for list information.

Land Allocation for Upcoming Wars: Looking for someone for each war to take charge for an Angels encampment.

- GWW – Possible Middle-Earth theme Sunday night.

Mayday: Tomaso took the autocrating class at Collegium and learned a lot.
