

Angels Baronial Council Meeting May 20, 2004

7:58 PM - Meeting called to order

Greetings:

Baron: Had a great time at Mayday & other events, and is glad everyone's here.

Baroness: Glad to be alive!

Newcomers:

Magdalene Martin of South Pasadena

Prev. Meeting's Minutes

Corrections: none.

Motioned to pass by Elspie, seconded by Amhas. One (Norrick) abstained.

Officer's Reports

Officers not present at the meeting were skipped.

Seneschal: Trinetta - This will be a quick meeting, but speak clearly please as notes are being taken. Have paperwork for new Voyagers Seneschal, just need photocopy of his SCA card.

A&S: Not much activity, Mayday was a success thanks to Catherine and Rosamund's assistance, taught crafty things to help Angels renown. They could use some more help in A&S workshops. Little action with workshops, will be meeting soon with potential teachers. Meeting will be announced on web when time/date is placed. 1st of month, try small A&S classes whenever we can round up teacher & supplies, perhaps small fee for supplies.

August A&S Fu Ching will teach painting presentation boxes, she'll have paint, boxes, rhinestones, probably \$5/per person.

Collegium at Leather Factory for classes, looking for teachers and people with things to sell.

CP Prize July 10, have a presentation for a game arcade Angels can put together with little expense, but willingness to sponsor a set of prizes will help keep the cost down significantly. Read proposal (separate) and let her know if you're willing to spring for a prize set.

Wool to Whatever is a GO for GWW, Thea is very much in favor, donations of cotton, wool, and silk and two offers of prizes, can get it going without cost to Angels. VOLUNTEERS needed onsite, since Flavia will be merchanting, Rosamund is the organizer.

Sept 11 is Angels Anniversary, everyone should be entering something in the arts tourney. Also need help with Hester Spoon cooking contest - herbal demo, and need ideas & volunteers for the murder mystery lunch.

Chatelaine - Amhas for Mouren - passed out many many flyers at Mayday. Had contact about demo in mid-July, more info later on list.

Chronicler - Elspie - April Seraph went out, May went out, 1 new subscriber. June Seraph is coming. Any more corrections to meetings, whatever, drop her an email, needs submission of

Art & Articles.

Constable - Norrick - nothing to report.

Exchequer - Elle - Contact Exchequer for information.

Herald - Amhas - Mayday came & went, Balthazar did a good job, good for him.
Kingdom College of Herald's meeting, Baronial Consultation, College of Herald's meeting this Sunday - any paperwork now's the time to let him know. Updates are on web, revisions coming.

Children - Amhas for Elspeth - Finnguala ran Mayday children's, made dragon puppets.

Marshal - Fighting practice continues, mainly rapier. Voyagers Mayday heavies won by Sir Sven. Looking for a deputy, a warranted marshal. Will be running heavies at Angels Anniversary.

Archery - Archery practice 3rd Sunday of month 10:30-1 or 2. 1-8 archers attend, none authorized, no injuries or instances. Will try to put up more reminders. \$4 for carload fee is another detractor - go to Woodley park, Mile Square, Rancho Park or other free parks for archery practices. Robin Hood tourney in planning still.

Webwright - Ysabeau - Updated 2 officers' webpages, Kingdom still seeking server arrangement

Subgroup Reports

Groups who were not present were skipped.

Canyons - Quiet, hoping to have another pool party this summer, not an official event, but announced anyway. Many projects are still being worked on but mundane life intrudes. Would like to run Angels Melee, looking at Crescenta Park and any ideas for new scenarios.

Voyagers - Mayday went very well, many thanks to all who helped out. Things are slow right now as academic year winds down, prospective freshmen were here for a weekend & had table at club fair, and got lots of good response, hoping to see some of them in the fall. A&S rep at club day, thanks to lady Muirenn for running it the whole day. Starting to get more interest from people at Voyagers, sewing nights always in planning but hard to pick a night with finals and tests. Thanks to Bjo & Rosamund for all their help at Mayday and having so much and getting so much interest from students walking by.

Baroness: thank you all for a wonderful day. Made you look good, the SCA look good, the college look good. It's a good thing. Thank you.

New Business

Coronet broken, saved Baroness's life.

DEMOS: Red: has been approached to do a demo for Cub Scouts, July 16 & 23 in Cabrillo Beach - any crafts, fighters, they're interested in just about everything. Will speak to Chatelaine to make it an official demo, but he'll be there anyway in garb, teaching things. Info will be put on website and contact Lyondemere since it's in their area

Leather Craft Re-enactor's Guild begins this Sunday, at LF in Baldwin Park.

Progress Reports

Angels Anniversary - Scheduled for Crescenta Valley Park, Sept 11

Robin Hood Archery Tourney notes - uploaded to officer's group

Mayday old biz: Maypole is dormant, held in Luke's garage, well away from house. If anyone is looking for it for next year, have them contact Voyagers.

Financial Committee Meeting - Apr 15, approved 1 item, appraisal fee of \$100 for coronet insurance.

Old Business

Announcements

Closing comments:

Baron: Now in custody of Baronial Pavilion and transporting it. Washed & cleaned it after Crown Tourney. Baronial guard rocks and can put it up and take it down better than anyone he's seen. We've all had a good time and we'll cont to have fun. The pavilion is open to ALL, but will not be at Potrero and needs a ride at GWW. Elle can take it to GWW. Balthazar has poles and walls for camping arrangement.

Baroness See you at Coronation & QC, still figuring out what presentations will be. All contributions will be appreciated. Anything you can think of for incoming or outgoing is needed. See you in beautiful, cool Darach by the sea

8:27 meeting is now closed.
