

Angels Baronial Council Meeting

August 18, 2005

Greetings:

TE's are at Pennsic & send their good wishes.

Newcomers:

Viscount Gaius Auklandus, moved down here from the West
Betty (Lady Rosamund's mother)

Review of Minutes:

No changes. Accepted.

Officer's Reports:

Seneschal - Trinette - The red velvet bag is hiding, today we're passing the hat. Month has been quiet, the list has been dead. We did find out that the insurance from Angels Anniversary does carry over into this year.

A&S - Rosamund - Nothing happening.

Chatelaine - Deputy Katerina - One newcomer at class last month, and we also had people showing up to deliver largesse, so we had full room. Next week, we're going to also have the room open for A&S, garb, Anniversary planning. It's also good for newcomers to see more people than just us.

Chronicler - Elspie via Natalya - Looking for a new place to live & working on the program for Angels Anniversary.

Exchequer - Sir Einar - Contact Exchequer for information

Herald - Balthazar via email - Sept 11th is next CoH - also when submissions are due for crown. Submitted two devices and three names this past month. Those interested in heralding at Anniversary please contact.

Lists - Mariam - nothing to report

Marshal - Doku - 6 fighters average every Tuesday.

Archery - Allan - not much new, still doing practice on 3rd Sundays. Still a lot to do for RH, the archery part is down pat, the rest of the event needs planning. Rosamund has ideas for site tokens.

Rapier - Basil - Not in attendance, is out training people who hope to authorize this weekend.

Webwright - Ursula - Work on the website has slammed to a halt since my trial version of Dreamweaver ran out, and will be fixed soon. Because of that, I haven't been poking people for updates and information. The list has been dead. A few users have joined and a few have left.

Subgroup Reports:

Canyons - Rodak - Had a last minute yard sale, donated 10% in profits to the canton, using the pavilion for the first time and it worked well.

Voyagers - Tomaso - Things have been quiet, being summer & all. There will be changes to the parking policy on campus. Everyone who works will have to pay, much of the free parking will become pay. Much of that is in the planning stages.

Progress Reports:

Angels Anniversary - Duchess Natalya - Things are moving apace. I have the event steward submission & proposal form. We have 11 guests for lunch. The lunch menu is fantastic. [Lorissa offered to provide ez-ups if needed.] The Inn of the Crimson Spade will be hosting the chess & backgammon tournaments. [Flavia – 5 merchants have signed on for the trading game and are looking forward to it.] Costume contest, spice contest, heraldry contest, history contest, all ready to go.

There will be no announcements at court - there will be a big sheet of paper listing the announcements, as well as a program with more information. A&S competition is in very good hands, we have prizes for all the contests. Elspie and Natalya will be putting a program together, and we'd like to do something in remembrance of Baroness Mistral, Baron Piers, and Baron Pwyll, who are no longer with us. Many dignitaries from Angels' past will be in attendance as well.

Angels Melee - Doku - I received a message about a date change, but I don't know what happened to the message and I didn't take care of it and the message is gone. Countess Carynsa will be contacted to figure out what's going on.

Announcements:

Kate - On fundraisers - we could have a yard sale! That's something that's going on at Anniversary, in a way. Kate offered to organize a yard sale for the Barony.

Financial Committee Meeting:

Talked a bit, spent a bit. CP Prize expenses were taken care of, as well as some expenses from Mayday.

Equestrian - Is there any interest in equestrian activities in the barony? Please discuss on the list. It has been determined that everyone wants a pony or hobby horses.

Natalya - I just wanted to thank everybody for jumping in and helping out with anniversary. It'll be a great event because of all you guys.

Angels Anniversary 2006 is Sept 9.

Meeting closed at: 8:51pm
