

Angels Baronial Council Meeting  
June 17, 2005

8:05 PM called to order

Announcement: Luke of Caerleon - Good evening! I just wanted you to know that Marie and I got married, and we're going to have a daughter - she's due October 1.

Greetings

Baroness: Greetings! We weren't able to be aging hippies, but we got paid for it anyway! We will not be here in August, as we will be at Pennsic.

Baron: I was at the Caid Principality Tournament, which had lots of Oldtimers.

Newcomers:

Jacob.

Corrections to Minutes:

None.

Officer's Reports:

Seneschal - Lady Trinetta - This is the red velvet bag. Inside of it go donations - general donations - that go towards things like paper for the Seraph. Please, donate if you can!

I have a couple of reports to handle during the meeting. This is the month when your quarterly reports are due. If you didn't bring me a copy, you can email it to me. Just a copy of the report you send your Kingdom superior would be perfect.

A&S - Lady Rosamund - Deputy Cynna - Not much to report. Cynna did a netmaking workshop which was well-received. I'm going to step down in September, due to my class schedule. My deputy Lady Cynna will take over. She's great and will do a wonderful job.

Chatelaine - Lady Mouren - Deputy Lady Katerina - One newcomer last month - Steven - he's thinking about what he wants to do and who he wants to be. He's started going to rapier practice. He's out of town so won't be able to attend the next Newcomer's meeting.

Chirurgion - Lady Justina - Will be at CP Prize as Chirurgion. Nothing else to report.

Chronicler - Lady Elspeth - Emailed report - Seraph held up for updated CP prize info. No submissions were received for July, so this will be a combined June/July issue and everyone's subscriptions will be credited, and she'll speak to Sir Einar.

Constable - Baron Robert - No baronial events, nothing to report. Invited by Heatherwyne to attend their Anniversary to help as constable. Hopefully their constable will reciprocate and help with CP Prize. Anyone else who cares to help out at CP Prize as a constable, please contact me.

Exchequer - Sir Einar - Contact Exchequer for information

Herald - Lord Balthazar - Nothing to report as nothing happened. I wasn't at the May meeting, as it was Mother's Day. The June meeting is at the end of the month, so I'll have something to report next time. We're working on researching a few people's names to submit for the end of the month.

Lists - Lady Vivienne - Deputy Lady Mariam - Mariam & Vivienne will be talking at Heatherwyne Anniversary. Mariam will be assisting Lady Jana at CP Prize.

Marshall - Lord Doku - Volunteered 6 hours at Potrero in the name of the Barony. Tues. Night practices are well attended. Had 8 fighters at the war practice and we're looking forward to CP Prize. I have a small budget for making manes for lions.

Archers - Lord Allan - Nothing to report. No one showed up last month. The month before we had two new archers. This month practice is cancelled due to QC Archery at Cal State Long Beach.

Rapier - Lord Basil - Not in attendance. Gets between 10 and 16 fighters per practice.

Children - Seeking officer. Speak to Trinette if you're interested.

Webwright - Lady Ursula - If you're an officer and I don't have your picture, it's either because the picture sucked or I couldn't figure out who you were, or the office is open. Please check the website to make sure your information is correct. If you have any other corrections or ideas, please email me with those updates. A few people went to No Email rather than unsubscribing. We've had a few new subscribers and one unsubscription. Things are getting updated, gradually, but the officers' pages should all be correct.

Subgroup Reports:

Canyons - Rodak - Not in attendance.

Voyagers - Tomaso - Our Seneschal, Jesse, has graduated and is trying to decide if he's staying in the area or not. I got a confirmation today that our room has been reserved through September. Starting Movie nights again, with Luke and Marie. Classes are winding down and people will be going home for the summer, so we won't be incredibly active, but we will be around.

New Business:

Robin Hood Archery Tournament - Oct 23 - Lord Allan - Working on reserving the range at Woodley Park. We still have the targets from last time, I'm hoping we have the score sheets as well. Instead of the pipe insulation I got pool noodles, which are significantly larger. I still need to get in contact with someone to run the clout shoot. Lady Culfre as the champion was hoping she could help out. I'll need volunteers to help out throughout the day, please mark it on your calendars and let me know what you'd like to do.

Baronial Pavilions & thrones are desperately in need of repair and replacement. We're looking for designs, ideas for replacements as well as fundraising ideas. We'll be posting the dimensions online for some ideas. A modular pavilion that can have several different configurations may be the best idea. It is the goal that by the time we spent down to have the pavilion and the thrones replaced.

Financial committee meeting:

Several expenses paid - the biggest was the cost of the printer. Some for Voyagers, the Seraph bought new paper. Approved \$226 for medallion purchases. Funds haven't been requested yet for those.

Progress Reports:

CP Prize - July 2 - Rosamund - Things are coming together well, Selene turned in her menu. We're looking to serve 200. Lady Eilidh will be hosting her coffee bar of Splendor. There will be lots of merchats, lots of raffle items, lots of baronies and even more shrines. If anyone has questions, please let me know. I don't have anybody who will run the games or children, so if you'd like to help out in that way please let me know. Lorissa & John volunteered to MC the Ladies of the Rose raffle and the Arts raffle. Still looking for donations for the raffle, we have lots of excellent items.

Catharine Hawkwood can donate a rosary or a promissory for a rosary. Lorissa will donate a hair session.

Angels Anniversary: - Sept 10 – Duchess Natalya & Lady Mariam – Everything is going quite well. Trinette has the check to reserve Crescenta Valley Park for the site. We've been sending email updates to the Angels list and will continue to do so. We do need a volunteer to make a favor for one of the champions. If you're interested, please contact Duchess Natalya or Mariam.

Announcements:

GWW: Pre-reg is still open! Lord Bjartmarr is our land contact for camping with Angels. His contact info is on the email list. We're hoping to get the same space, #56, and we will once again be hosting the Middle Earth Soiree. Please volunteer in the name of the Barony, and pre-register with the name of the barony so we have lots of space!

This Sunday, the monthly Leatherworker's guild is meeting, we're learning the Tunnel Stitch, used for making shoes. If you have questions, please contact Red or Cynna.

Lord Mordechai is seeking to step down in September. If you're interested in being Captain of the Guard, please contact him.

Bell Canyon Demo, August 6 in Altavia. It's a gated community in Chatsworth area. It's their block party. The main thrust is equestrian, but they're looking for heralds, fighters, and anyone who will demo arts & crafts. Lady Culfre is the contact person, and more information will be posted online.

TallShips LA is looking for volunteers in August. TallShipsLA volunteer orientations will be Thursday, July 21, 7-8:30 pm and other convenient times before and during the event. Earn a TallShipsLA T-shirt for giving at least 4 hours time. Sign up through the toll-free number 877-TAL-SHIP (877-825-7447) or with the LA Maritime Institute (LAMI) office at 310-833-6055. Volunteer meetings will be in the TopSail Room at LAMI, Berth 84, Foot of 6th Street, San Pedro, CA 90731. (At the foot of 6th Street, 1/2 block to the left of the LA Maritime Museum.)

Old Fort Mac Days is coming up! If you'd like to volunteer to help out at this HUGE demo, please contact Red or Cynna.

Pennsic: We have offered to make the Pennsic largesse for the kingdom of An Tir. There is no coordination going on now between the baronies, but hopefully there will be soon.

Old Business:

Closing comments:

Baroness: I can't wait to sit here at the next meeting and tell people how great CP Prize went. We know we'll pull it off and it will be wonderful and the CP will make lots of money. We're fortunate that we don't have a high markup so that the CP can earn more money.

Baron: I'm looking forward to CP Prize, I hope everyone can encourage everyone to be there. We're either going to have a great turnout or a lousy turnout due to the holiday, so please attend!

Closing time: 9:02
