Lady Elspeth provided the Star Wars cake; Duchess Natalya provided the anniversary cake; Katerina brought the beverages, the flowers for Her Excellency and Lady Mariam, and the goodie bags; and Baron John ap Griffin kindly did an emergency run for cups.

Greetings

Baroness: We've had marvelous events - Voyagers' Mayday was beautifully run and everyone had a marvelous time, Altavia Anniversary was wonderful, I'm so glad everyone could make it to the events and to the meeting tonight!

Baron: I'm glad meetings can be fun, because otherwise they're so boring.  
Thanks to everyone for being here

Newcomers:

Lyndon & Kate - both new to the SCA & Angels.

Corrections to Minutes: (Per Trinettes, we are dispensing with Roberts' Rules of Order. Everyone is welcome to submit corrections and additions to the minutes.)  
No changes.

Officer's Reports:

Seneschal - Lady Trinettes - Not a lot to say, things have been a little crazy modernly. Lists have been quiet, events have been attended & all is good.

A&S - Lady Rosamund - Cynna - Rosamund is still taking classes and unable to attend Thursday nights. Last Thursday we had about seven people, we had some fibery fun, knitting leather. We're still here Thursdays. 2<sup>nd</sup> Thursday in June I'll be teaching period netting techniques for making snoods and cauls (and nets). If there's anything you want to learn, let me know and we'll find you a teacher. Angels' Macha Drake won A&S at Mayday and at Altavia Anniversary! Congratulations to her! If you want to teach a class at Fall Collegium, contact myself or the proper regent. More information available on the Collegium website.

Natalya would like to get a scriptorium started in Angels. Whether you have experience or want to learn, all are welcome. Once we have established a time, we will see about scheduling Baroness Aliskye, Deputy Scribe Armarius, to pay us a visit. In the meantime, if you are interested in doing a scroll, contact her via email at [alizkye@yahoo.com](mailto:alizkye@yahoo.com)

Culinary Arts Ars Caidis will be available at Coronation. Anyone who wants Back issues, you can see the index online, on the Arts website. Previous issues are \$3, 2005 issues are \$5.

Chatelaine - Lady Mouren - Lady Katarina - Mouren taught a class at collegium on surviving your first year in the SCA, and assisted in the Overcoming Peer Fear class. The monthly newcomer's meeting had no newcomers, but Mouren & Katarina discussed the Chatelaine position. Mayday had many newcomers coming by, including a fighting unit of teenagers who are working to get their armour together. They were introduced to a number of fighters for tips and advice. 27 of Mouren's cards with contact info were passed out.

At Altavia Annivesary, Mouren passed out 20 more cards.

At Mayday, the Gold Key garb was passed on Katarina, so she can sort it all and see what needs to be mended or replaced. Mens' and boys' clothing are especially desperately needed, as Mouren has often been loaning out her own garb and some of it has not returned.

Mouren is deputy A&S Minister for GWW, as well as Deputy to the Kingdom Chatelaine for GWW, and is hoping to put together a full track of classes for newcomers'. If you would like to teach something, please contact see the GWW website and fill out an A&S class proposal.

Chirurgion - Lady Justina - not in attendance

Chronicler - Lady Elspeth - Two special thank-yous to His Lordship Jared who saved the April Seraph when my computer died, and Sir Einar for procuring a new printer, which has saved the Seraph a LOT of money and time! I'm sorry the May issue is so late, it's been a combination of a lot of issues. I need updated event info for Angels Anniversary and CP Prize.

Constable - Baron Robert - Not too much to report - did end up with a couple of items - one claimed, small silver bracelet went unclaimed.

Exchequer - Sir Einar - Contact Exchequer for information.  
Mayday incoming: \$381.00 - no expenses have been submitted.  
Printer purchase bill has yet to be submitted.

Herald - Lord Balthazar - I wasn't at the Herald's meeting in May, as it was on Mother's Day. There were no submissions from Angels. CP Prize is being handled by the Crescent Herald (to be Lord Lochlan of Cromarty). Contact me if you have any questions or would like more information on researching a name - please use [jwpetty@gmail.com](mailto:jwpetty@gmail.com). Thank you to the people who volunteered to be heralds for Mayday.

(Order of the Seraph awarded to Lord Doku, who was unable to attend Mayday.)

Lists - Lady Vivienne - Lady Mariam has offered to become Lady Viv's deputy.

Marshall - Lord Doku - Mayday - Sir Sven won lists for the day as 1/2svent^2. No authorizations were performed. His Highness was the Marshall in Charge. There were 11 heavy weapon fighters, and they fought a triple elimination. Averaging 5 fighters every Tuesday. The first Tuesday is now known as Kingdom War Practice, not Brigade practice

Archers - Lord Allan - not in attendance

Rapier - Lord Basil - not in attendance

Children - seeking officer

Webwright - Lady Ursula - The major assault on the website will occur late this month, when I have more room on my hard drive. In the meantime, please feel free to send information to me at [bonehead\\_arts@yahoo.com](mailto:bonehead_arts@yahoo.com).

Subgroup Reports:

Canyons - Rodak - We had a very productive meeting. Decided to purchase a 13 x 30 period sunshade. Check was sent out, we should have it in two months, it'll be out at GWW. We need to make all new regalia to match, so we'll be having a sewing workshop, date yet to be determined.

Voyagers - Tomaso - We had Mayday. THANK YOU for everyone for all your help, for those who didn't know it, several of the responsibilities changed hands 24 hours before the event. Everyone stepped in to help and I really appreciate it. We had a great day. Voyagers has been very quiet. There was a club fair for incoming freshman and we got between 2-4 people showing interest.

A&S: Lady Macha Drake won first place, and Lord Njall Olaf Hagerson took second. Third place was for Katherine du Griffin for her silk scarves, who also won for a Silk Road themed item. There were demos held throughout the day with make-and-take projects. His Highness was really swell and helped out all day long with the arts and marshaling.

Announcements:

GWW - pre-register online w/credit card. Please put in the Barony name so we can get a large chunk of land. Bjartmarr is willing to be the land contact, unless someone else wants to. We will be having the 2<sup>nd</sup> annual Lord of the Rings party, due to popular demand.

Griffin Dyeworks is holding a non-SCA Dye & Fiber Retreat on August 26-28, 2005 at Camp Verdugo Oaks, 38001 Golden State Highway, Castaic, CA 91384. The weekend includes dyeing and fiber-related activities, meals, swimming, other kinds of classes, and a change to get away for the weekend. Interested parties should contact Baron John ap Griffin or Maestra Flavia (or anyone else in Griffin Dyeworks).

Brewing Guild - Beer kits on Sunday! Caterina is hosting the kickoff meeting, so please come and talk about what you know or want to know, and what you hope to get out of the brewer's guild. Contact Balthazar or Caterina.

Leather Re-enactor's sale is this Saturday, May 21 at the Leather Factory in Baldwin Park! Come in garb and get 15% off.

#### New Business:

Pottery Guild - In November, there were a few Angels who came and did some projects. Several people finished, several people didn't. I'd like to schedule a time for people to come and finish up their projects.

Yule Dec 17 - Elspeth & Artemesia submitted a proposal: "Come as your favorite Italian painting" Masquerade Ball. There will be "portraits" (photos) of individuals and tableaux. Food will be an Italian food pot luck with pre-1600 recipes published in advance in The Seraph as suggestions. This is a great chance for the Barony's , fledgling cooking guild to have an "Italian" night. We can probably wrangle an Italian dancing teacher (several were suggested), provide easels with watercolors, and possibly have a contest to Latin sayings (as well as a "graffiti wall.) Depending on the site & weather, we may be able to play bocce. In honor of His Excellency's birthday, there'd be poems in an Italian style.

#### Progress Reports:

CP Prize - had a meeting, were discussing things about what we still need to cover, especially with security and parking on the site. Word has it, His Highness has purchased four lions and is upset at the pilgrims, so the fighting scenarios may be undergoing a change. There's lots of room for more shrines and games, so please let us know if you have an idea for one to host.

Angels Anniversary - Instead of holding a banquet after the tournament when everyone is exhausted, what if we moved the food part to during the day, as a lunch thing - a progressive fooding. Advantages: don't have to find and pay for a site with a full kitchen. The people who volunteered to cook aren't trapped in the kitchen. More people will be able to try the food. At the end of the day, we can go to a restaurant, in the A/C, and have someone serve us. We can then look at Crescenta Valley Park as a perfect site.

#### Old Business:

#### Closing comments:

Baroness: Thank you and goodnight.

Baron: Thank you!
