

Angels Baronial Council Meeting
October 20, 2005

Meeting opens: 7:59PM

Greetings:

Baroness: Greetings. Thanks to Lady Selewynn for providing us with this room for this month & next month. We'll need to find something else for next year, as the Caltech is remodeling lots of buildings. There is no meeting in December, anyhow, but if anyone sees an appropriate place we'd be thankful. We'd like to thank everyone who came out to GWW, it was marvelous, and we're looking forward to Robin Hood this Sunday.

Baron: I'm glad everyone made it here tonight, it was well marked, thank you Selewynn. GWW was spectacular. We weren't planning to go to Dreiburgen on Saturday, as we're helping to prep for Robin Hood Tourney and we both have colds *sniff*.

Newcomers:

Allondra.

Review of Minutes:

Changes: None.

Officer's Reports:

Seneschal - TrINETTE - Everything's been going very smoothly, if there are any problems, please let me know by email - both work & home - as we're having routing problems.

A&S - Czina - Well, I assume arts are alive and well in Angels. We have not had access to our regular space at Voyagers - hopefully this will change this spring.

THL Ysabeau and Chateau Flammel have graciously offered a limited space on Wednesday nights for arts and crafts. I have attended 2 nights, as have a few other people. Great conversation and small projects have been completed. I look forward to the next meetings.

I am passing out a simple survey for everyone to fill in regarding Arts in Angels. Please fill it in and return it to me - I have also posted it to the Yahoo group and in the Seraph. Do not feel you need to fill it in multiple times. Please email me for more information.

Chatelaine - Katerina - We had a good meeting last month at Coco's in Arcadia. We had six newcomers, and good pie and lots of fun. Enthusiasm was high, and there were questions afterwards with regards to personas. At war, we had some of the newcomers from two months ago camp with us at war, they had a good time.

Gold Key - Ysabeau - I still need to get the Gold Key stock to inventory.

Exchequer - Sir Einar - Contact Exchequer for information

Herald - Balthazar - I'm sorry I was unable to attend GWW, but I bought a car! I would like to get, if anyone has name/device submissions, please bring them to Robin Hood Tourney. I need field heralds for rapier on Sunday, please volunteer. Feel free to contact me anytime at jwpetty@gmail.com with heraldic questions. I'm working on a project, so I may come up and ask you about your name, your persona, your device, and such.

Lists - Mariam - I've talked to Alan & Basil and I'm all ready for Sunday.

Marshal - Doku - Not in attendance.

Archers - Alan - Down to the wire on Robin Hood. Rosamund is doing site tokens, Chateau Flammel is doing food, the Baroness is hosting a bardic tournament, there will be loaner gear. A couple have been coming to archery practices and are very gung ho about it. Practice is on the 3rd Sunday of the month. El Dorado raises their prices to \$6 per car, so we're looking at alternate sites.

Rapier - Basil - Practices are going really well, we cancelled only one practice due to rain. We have a core group of 6-10 regulars, which is good for going into the winter season. We had 11 Angels fighters at war, the teams weren't territorial, so we were split all over the field. Robin Hood this Sunday will be a Swiss Five, with a few twists.

Webwright - Ursula - Some additions, some deletions. Moving the website to the Kingdom Server before the next meeting, talking to Auggie and the Kingdom Seneschal.

Subgroup Reports:

Voyagers - Ewen Chen - Ewen's the new seneschal! Huzzah! She hosted the fall club fair at Caltech, and there was lots of interest. There's another brand new Voyager, Georgia Sollitt, born to Lord Luke and Marie. At GWW, for the first time in many years, a Voyagers fighter authorized in heavies - that makes three heavies fighters! Tomaso won three awards at the Taste of Caid - 1st & 2nd in beer brewing, and 2nd for wine. Two Voyagers taught classes at GWW, Tomaso & Catherine. Tomaso also taught at Collegium. With A&S, I'm going to try to schedule a garb making session in the next few weeks.

New Business:

CP Prize 2006 - Baroness Morgaine - We did so well last year, and we can get the site, and Katerina had such a great idea - the Conquests of Rome, with each booth being a different area conquered by Rome - we discussed it at GWW. Tomaso said we could get the site. Everyone in attendance thinks it's a good idea. We're looking for an Autocrat!

Progress Reports:

RH Tourney - Chateau Flammel will be serving food at the tourney. We're donating the food, so we'd appreciate it if the funds go towards the new pavilion.

Discussion:

Financial Committee Meeting - Approved medallion costs. Anniversary went well. RH Tourney - still don't have a budget or anything in writing. Verbal word is gate at \$3, and our anticipated expenses are \$20. No info on Yule yet, we need to get that contracted & paid for. Angels Melee, we have no budget, we need insurance, a contract with LA Counties Parks & Rec. Suggestions

were made to put the budget forms online on the Angels website. Rodak was invited to the committee as a rep of Canyons. Some questions were raised with regard to the storage unit, it does still meet our needs. Gold Key was discussed, and it needs to be inventoried, and a workshop needs to be set up to go through everything and repair what can be. Does the Barony need a small trailer? That's something on the "future" list at this point.

Dreiburgen Ann - Mistress Gabrielle - With the concurrence of their Excellencies, Duchess Natalya and I have come up with a presentation for Their Excellencies of Dreiburgen. We invite everyone to come up with us if you're attending that event. We also have a presentation for Their Majesties.

Presentation gifts for Coronation - Baroness Morgaine - We need to get items together for TRM and TRH. TRH request no baskets & no blue gas. The things that the TRM need the most are gas cards, phone cards, Starbucks cards, gift certificates from the merchants or to things that they can pass on to other people. They do not need more fabric, they love getting personalized handmade items.

Presentation gifts for 12th Night - Duchess Natalya - We should include something for TE - David & Adalesia. Ideas for the incoming TRM, please ask Griffin Freehold.

Announcements:

Trinette - We do need a place for Council Meeting, please keep an eye out.

Chateau Flammel - 2nd & 4th Wed at Chateau Flammel are Stitch'n'Bitch or any other house you want to do.

Cate - There's a daycamp that would like to have us come in for a demo on June 3.

Baroness Morgaine - I would like to urge all of you to write in recommendations for anyone you feel is deserving! There are a lot of people who are very deserving who do not have awards.

Czina - Marching Through History is at Prado Park this weekend! Please come & see.

Sir Einar - Stonekeep Armory is offering to put loaner gear in the hands of baronies in the known world, if they're willing to pay for shipping. Will be discussed on the list & at financial committee meeting.

Closing Comments:

Baroness: Thank you everyone who helped out so much at GWW, we'd like to introduce you to our new CliW, Caterina.

Baron - I echo that, and Katerina has done such an excellent job. Thanks to everyone for your support. I hope to see you all at Robin Hood.
