I attended CP prize tourney and An Tir - West War, as well as at least 1 Picnic in the Park since my last report where I acted, in some stead, under the auspices of my office.

Describe any events/activities/projects that you organized.

Month was busy with mundane concerns, and prep. for CP prize I initiated no new projects this month. A number of back-burner projects however will be green-lighted in the next few weeks.

Do you have any upcoming events/activities/projects you are organizing?

I will be hosting ongoing Armoring, Leatherwork and garb Workshop at my house(mostly for newcomers), possibly a armored combat practice as well. I am due to teach shoemaking of a number of varieties in Altavia either late this month or August, I am working with the Captain General of the Caidan army to prepare for kingdom war practice on Sunday at Highland War, and asisting with the creation of a feedback processing program to help the army be quicker to address concerns. I am now in contact with a counterpart from An Tir, with hope to create goodwill, and potentially increase attendance of GWW. I will also be at PITP and will be working on a feasibility study for the Angels Welcome Wagon for GWW.

Were there any problems/incidents?

Angels Welcome Wagon is in Jeopardy. we will need the assistance of the Barony both in funding and manpower if this is to be pulled off for GWW. I need deputies badly, especially those who are on the books and ideally at least one non-fighter. I lost one of my Deputies to another office in the Barony. Finally though The Angels Varangians are on the verge of having a fieldable unit, I must hand over functional command to Peter Cadarn, as I am now Second to Augustine Von Freiburg Captain General of Caid.

please mention the two previous fields contents.
