Marshal's report for Baronial council meeting

March 2009

For the past few weeks we have been holding Tuesday night practices at Recreation Park in Monrovia. The site is working well and the lighting is much better than we've had at Arcadia. Unless there is strong opposition, I will be removing the 'temporary' status of the new location, making the move permanent.

Sunday practice continues to have 3-5 fighters showing up regularly.

The new location for practice is much preferable than the old site due to lighting conditions. Parking is not as favorable. My recommendation would be to move practice on a permanent basis.

Robin Hood Tourney - March 1, 2009

Describe any events/activities/projects that you organized. List

Do you have any upcoming events/activities/projects you are organizing?

I have been asked to help with List at Heatherwn's March Hare on 3/21

Were there any problems/incidents? I had several people asking to be put on the "List" long after they were closed. One woman in particular complained because she had not been at the event for court and had missed the Heralds announcement, and therefore was unaware as to when List would be closing. To be honest this is not the first time that this type of problem has occurred. I am wondering if, in the future, it would be possible to have something included in the announcements published in the CP and on the Kingdom Events Calendar. Perhaps in the Schedule of the Day. Perhaps something like the following:
Schedule of the Day: 8:00 AM Site opens and Authorizations begin. No authorizations started after 9:30 AM. 9:00 AM Lists open 10:00 AM Opening Court 10:15 AM Lists close 15 minutes after the end of Opening Court. This would help in the future by ending any disputes in the future about when lists close. Thank you for your consideration on this matter.

Anything else to report? Please include any other news, announcements, notations, etc. here.

List included 3 (three) forms of combat. Target Archery - 39 entrants Rapier - 5 entrants in Round Robin Combat Thrown

Weapons - 16 entrants

Report for the office of the Arts & Sciences

Date report submitted: 17 Mar 2009

Report Submitted by: THL Rosamund Ryghtwys

Geopolitical Group: Barony of the Angels

What activities/events did you attend in your capacity as an Officer?

The A&S Competition at Robin Hood Tournament had a nice turnout. There were 10 entries, all of them wonderful examples of the Arts & Sciences of Angels and Caid.

The first prize winner was Peter Cadarn, for his hand carve "Cat Box" with a Celtic cat design on the top. The second prize went to Ihoa McLucas for his crossbow, and third to Bridget Lucia Mackenze for her hand dyed and woven shawl.

The A&S meeting at the park this last Sunday was freezing cold, but I met with several people and showed my costume books so they could browse through and look for garb ideas.

It would be good if the office for newcomers [is that the castellan now?] had some resources for this since it is not really my provenance as the A&S officer.

Constable's Report for March Council Meeting

Robin Hood Archery Tournament

Concerning the Constable's Office the event went well.

The parking set up went well and all cars found to be secured.

(At the last Angel's event cars were found with windows and doors left open).

Several items were turned in but owners of the lost items were found.

I had help for the event from His Excellency Jason Thomas the Wanderer.

This was due to Lord Amalgaid's duties as Event Steward for the day which superseded his Deputy Constable duties.

The event ended on a good note with all leaving the site on time.
