Report for the office of the Constable

Report Submitted by: Robert of CedarWood

What activities/events did you attend in your capacity as an Officer?

Pink Ribbon Tourney. Report given by attending Constable Amalgaid mac Donnucaín Deputy Constable Barony of Angels I got on site at 7am followed by the autocrats for the events. I directed traffic for the morning getting people on the site unloaded and off the site. I set up the exchequer at gate and was introduced to Cisco. Cisco works as security and volunteered to secure the cash for the day. Cash was kept in a fanny pack and on Cisco. All cash drops were given to Cisco. I patrolled the site for the day and there were no incidents. At the end of the day some things were left over. The lost and found consists of sunglasses, a coin that seems to have fallen off of armor, a cloth chair, and a canvas bag with food, and ice cube tray, and another pouch inside it. The canvas bags with it's holding belongs to Mistress Huette. I am making arrangements to get the bag back to her. I have posted a to the list that we still have lost and found.
