Also, we like to publish as close to the deadline as possible (usually the 15th) so please send material several days in advance. If you have promised to send something and can't make the deadline (or change your mind and decide you don't want to send it after all), please let us know so that we don't hold the newsletter for something that isn't coming. I wrote and planned the scenarios for Angel's Melee as well as organized 'themes' for rapier practice, which was well received and will be continuing into February.

Yes, I will be running a rapier tournament at the Robin Hood Tourney on February 27.

None. Angel's melee ran smoothly as I am told. Colwyn still needs to turn in his Marshal's report, but he is working on it.

Favors for members of the Angel's rapier squad. Would like to purchase some leather for Santi to make stamped leather favors. Do not have a cost estimate from him yet.

I will be submitting a receipt for the loaner gear that arrived two weeks ago and request to be reimbursed for the funds, which have already been approved by the council. I have a receipt for the merchandise and a copy of my credit card statement where the total, with shipping, was charged. I did not realize that I had not received a total receipt and will be asking for one.

Report for the office of the Arts & Sciences

Report Submitted by: Catharine Hawkwod

What activities/events did you attend in your capacity as an Officer?

Baronial Council (1/13), Angels Melee (1/15), Getty Museum Field Trip (1/23), A&S Leatherworking Class (1/31).

Describe any events/activities/projects that you organized.

Angels Melee Illuminated Letter Competition, for the Border Skirmish A&S Point(1/15), taught by Mistress Alizkye at Angels Melee in Crescenta Valley Park in La Crescenta, 18 participants. Field Trip to the J. Paul Getty Museum to see the "Imagining the Past in France: 1250-1500" illumination exhibit(1/23), 14 participants; A&S Beginning Leatherworking Class, taught by Lord Ryusaki Reydon (1/31) in Monrovia, 9 participants.

Do you have any upcoming events/activities/projects you are organizing?

Mock Court (2/6) at Picnic in the Park at Recreation Park in Monrovia; Mead Brew Day & Herbal Group Meeting (2/12) at Casa da Barbiano in Azusa; A&S Competitions (Overall and Archery-specific) for Angels Robin Hood Tourney (2/27) at Woodley Park (location is in Altavia). I am negotiating classes for the rest of the year. I have

extended invitations to Angels A&S classes to neighboring geopolitical groups (Altavia and Heatherwyne). I am unable to get through to anyone in Heatherwyne, but recent Angels classes and field trips have been attended by people from Altavia, Gyldenholt, and Lyondemere as well as from Angels.

Were there any problems/incidents?

The Beginning Leatherworking class on January 31st had been scheduled to take place in Picnic in the Park. However, it rained that day, so the class relocated to the instructor's house a couple of miles away. Still working out ways to communicate last minute changes to people, which come up not infrequently with the classes being taught outdoors in a park. The calendar can't be changed once the start time has arrived, so I'm mostly using the Angels e-list along with phone calls and texts to reach people last minute. That seems to be working well enough.

Do you have anything to bring up before the full council or is your report ok to be taken as submitted?

Okay as submitted.

Proposed topic for new business?

None at this time. New classes will be posted on the calendar and in The Seraph.

Anything else to report? Please include any other news, announcements, notations, etc. here.
