Report for the office of Chatelaine
Report Submitted by: Ysenda of Perthshire

What activities/events did you attend in your capacity as an Officer?
3 fighter Practices. 1 Picnic in the Park (newcomers meeting), and Crown Tourney in Califia.

Describe any events/activities/projects that you organized.
Talked to visitors in Elm Monte Park in Califia at Crown Tourney and explained SCA. When they expressed an interest, directed them to the Baron of Califia since their Chatelaine was not in attendance.

Do you have any upcoming events/activities/projects you are organizing?
Assisting in Robin Hood tourney. Working with 4 new members on obtaining Garb and other items needed.

Were there any problems/incidents?
None, except I would like to know who the other Chatelaines are when I visit other Baronies so that I can direct newcomers and interested visitors to them. If they are not in attendance, maybe someone from that barony could ask if there are any of us Chatelaines that could help out with newcomers and interested visitors. I would hate to lose potential members because there is no Chatelaine. If the Baronial Chatelaine could let the rest of us know that they will not be there due to conflicts with mundane activities I am sure there would be some of us there to assist. It would also be nice to get flyers for the other baronies or at least contact info if we come across members in other areas who are interested in SCA and live in the other areas.

Do you have anything to bring up before the full council or is your report ok to be taken as submitted?
No.

Proposed topic for new business?
No. Not that I can think of.

Anything else to report? Please include any other news, announcements, notations, etc. here.
At our last fighter practice, we had 8 heavies fighters who up for practice, 8 rapiers, 2 out of town guests (Gyldenholt and Colantir) and 2 new members (very interested). It was a great practice and thanks to everyone for helping answer questions of our new members. Additionally I am working on 3-4 more new members.
